Two Events in One!

We are pleased to announce that the 5th Annual Canadian Industrial Emergency Conference & Expo (CIE 2010) will be co-located with the 26th Annual North American Vehicle Rescue Challenge (NAVRC 2010).

NAVRC 2010 will feature 30 teams from Europe and North America competing in the week long competition.

Sanctioned by T.E.R.C. Canada who is committed to the reduction of injury and deaths of all North Americans involved in transportation emergencies, to enhance the health and safety of all emergency responders, and to assisting all members in achieving those commitments in their local communities.

Join us in September 2010 and meet over 100 exhibiting companies that will be on hand to demonstrate and educate both industrial and municipal emergency response professionals. The conference will feature several educational tracks, keynote speakers and networking opportunities.
