

## CALL FOR PAPERS

**Now in its 5<sup>th</sup> year, the Canadian Industrial Emergency Conference and Expo is taking place in Calgary, Alberta.**

This year we are excited to announce that the CIE conference will be co-located with the **North American Vehicle Rescue Challenge**, hosted by the Calgary Fire Department. Featuring 30 rescue teams from across North America and Europe. With the expansion of the conference we are increasing our conference program to feature:

2 days of sessions with 2 tracks and 1 day of workshops, plus keynote and plenary sessions.

If you have a case study examples, new standards or technologies that would be of interest to the first responder, both industrial and municipal, we want to hear from you.

The session should be designed for approximately a 45 minute presentation including questions and answers.

**Who will attend the conference?**

**We are looking for International papers that would benefit the following delegates:**

EMT / Paramedics Firefighters Fire Chiefs Fire Marshalls Emergency Response Coordinators / Officers Training Coordinators / Officers Police Officers Operations Managers ER Specialists Group Leaders Compliance Coordinators Safety Advisors / Managers	Medical Professionals Military personnel OH&S Superintendents / Specialists Quality Control Officers Health and Safety Environmental Coordinators Risk Safety Advisors Loss Prevention Advisors Corporate Security Officers
---	--

**These papers should address the following sectors:**

Oil & Gas Manufacturing Pulp and Paper Transportation Chemical Construction	Department of National Defense Airports Utilities Municipal Fire departments Mutual Aid Partners Police EMS
--	---

If you have a case study, lessons learned, new technology that can address issues pertaining to any or all of these sectors we want to hear from you.

**Deadline for paper submissions is: February 1<sup>st</sup>, 2010**

**Topic Submittal Requirements:**

Submit an abstract or summary of the proposed topic covering the key points to be discussed. Use the following criteria for submitting.

**The submitted abstract should be 250 words, no longer than one page, single-spaced and non-commercial. Not in a PDF.**

List complete author contact information including name, company, address, city, province/state, postal/zip code, telephone, fax and email. The author will be considered the primary contact unless otherwise noted on the abstract. Complete contact information on co-authors and panelists must be included on the submitted abstract.

**Important dates:**
