

Two Events in One!

May 1-2, 2011 – exhibits
May 1-3, sessions

Toronto Congress Centre

Two Events in One!

We are pleased to announce that the 6th annual Canadian Industrial Emergency Conference & Expo for the first time will be in the Greater Toronto Area. In addition, the show will be co-located with the **largest Fire Chiefs Show in Canada**. Exhibitors will benefit from the attendance of both shows under one roof on the same show floor. With more than 1800 Fire personnel, including fire chiefs, managers, purchasing managers, and hundreds of Industrial Emergency First Responders we are confident that exhibitors will get an excellent return on their investment.

Exhibitors can enjoy:

- More than 1800 fire chiefs, purchasing managers, and firefighters plus an anticipated 400 industrial emergency responders
- Workshops that don't conflict with the show hours
- Networking opportunities

If your company sells products and services to the industrial emergency responder and municipal first responders, then this is your opportunity to meet your customers face-to-face at Canada's only industrial emergency services conference

Co-located with the Ontario Association of Fire Chiefs

Two events in one!

The Canadian Industrial Emergency Expo will be co-located with the 59th annual Ontario Association of Fire Chiefs trade show. Exhibitors will be a part of an exciting, action packed event!

- Hundreds of exhibitors
- Sold out trade show floor
- HOT training
- Workshops
- Leadership seminars
- Mutual Aid Sessions
- Networking Opportunities
- Sales!

Two full days of innovative and timely conference sessions. Excellent networking opportunities with some of North America's leading industry experts.

Ontario Association of Fire Chiefs Trade conference and trade show is Canada's largest and longest running Fire Chiefs show. Thousands of buyers will be in attendance to source out, specify, and purchase the newest products and services. Never before has there been such an opportunity to reach both industry and municipal decision makers.

Exhibitors: Leading companies displaying the latest products, services and technology for the industrial and municipal emergency responders.
